INSPECTOR GENERAL OF POLICE.

CIRCULAR ORDER
of the
INSPECTOR GENERAL OF POLICE IN MYSORE,B'LORE.

No. of Dated

Transfer of registered members of Criminal Tribes and Police Registered Convicts belonging to t h e Madras Presidency, from Mysore State to that Presidency, on release from Jail.

In 1929 the Government of Mysore entered into an arrangement with the Government of Madras by which registered members of Criminal Tribes and Police Registered Convicts belonging to the Madras Presidency were, on release from jail in the Mysore State, to be handed over in police custody to the Police authorities in the Madras Presidency. The procedure to be observed in giving effect to this arrangement has since been incorporated in the Jail Manual (Paragraph 456).

That paragraph provides that a convict of the classes specified above shall be dispatched under Police escort to the Station House Officer of the frontier railway station or the local Police Station in the Madras Presidency on the route to his home, in advance of the date on which his release falls due and released there on that date, his arrival being so fixed as to coincide with, or not to be later than, such date. When the convict to be released is confined in the Central Jail at B'lore this means, of course, that he should be handed over to the Commissioner of Police, Civil and Military Station, Bangalore, in time for the latter to arrange for the escort of the prisoner to his home district prior to his release.

Unfortunately, this excellent arrangement, which ensures that a convict of the classes specified above shall be released under the eyes of the Police of his home district, or re-arrested by them on the spot if he is wanted for an offence against the Criminal Tribes Act in that district, has remained inoperative ever since. At the most, such prisoners are subjected for a few hours to the shadowing process prescribed by paragraph 384 of the Police Manual, Volume I.

Arrangements have now been made with the Inspector-General of Prisons and the Commissioner of Police, Civil and Military Station, Bangalore, which will ensure that the procedu

prescribed in paragraph 456 of the Jail Manual is followe in future in the case of every registered memberm of a Criminal Tribe and every Police Registered Convict belonging to the Madras Presidency who is serving a sentence in the Mysore State. It is incumbent, therefore, on every Superintendent of Police to take pains to ensure that For No.87 A (to be introduced) is dispatched promptly to the Superintendent of the jail to which the convict has been admitted, as required by paragraph 384 (to be amended accordingly) of the Police Manual, Volume I. A duplicate copy of this Form must be sent at the same time to the District Superintendent of Police, Criminal Intelligence Department (Vide Inspector-General's Circular No.15, date October 19, 1934), who will also take steps to ensure tha effect is given to the provisions of paragraph 456 of the Jail Manual.
